

YOUR TURN...

1. Grab a pencil, pen or anything with ink,
Draw what the word 'pain' makes you think...

2. What sorts of things did you draw?

- Something scary
- Something sad
- Injuries

3. What did Zoe hear her Uncle Ozzie say when he felt pain?

4. Why do you think Uncle Ozzie felt pain even though the nail hadn't actually touched his foot at all?

To learn more amazing science about this, check out the QR code on the next page...
Answer: Pain is about threats, not damage.
